Approval of Meeting Minutes

Motion made by Robert Schroeder to approve January 2023 Annual Minutes. John Waddell Second. Motion Approved unanimously.

Officer Reports:

President: Nancy Beatty

The GHOA Board approved the \$375 amount for 2024 during the monthly meeting in December 2023. Several things have taken place since the annual Assessment/Dues amount of \$375 was originally put in place. The resolution of the Water Drainage

In the past couple of years, the board has begun to take more aggressive measures to collect past due payments. Payments are to be received by January 31st from owners. Sometimes we had to have the board's attorney get involved to assist in the collection efforts. For the most part, the legal costs are paid for by the owner who is late in making their payment. The budget passed by the GHOA board for 2024 reflects estimated income and expenses to be about the same amount. The GHOA board is doing everything it can to minimize the possibility of needing to charge a special assessment, which we have said at several meetings, so, for your information, the \$375 most likely, will never go down. My goal as President was to have the board be transparent and honest with the homeowners. I believe we've done this. I wanna thank the board for helping me achieve this. I wanna say a special thank you to Bob, who whenever anybody asks him to do something, he does it. He has been in this community for years helping out, and I think he doesn't get the recognition that he deserves.

Vice President: Robert Schroeder
